Comparison chart Covering risks

What do you need to pay for this financial services provider?

Here, you can find average prices only. The average price is the price customers in a comparable situation have paid. The more complex your financial situation, the higher the costs generally are. Your financial services provider will inform you of the exact price. Always have agreements recorded in writing, so you know what the financial services provider does for you and how much you have to pay for this.

	Consumer	Entrepreneur	Other
Giving advice and arranging the contract	€ 1,500	€ 1,500	€ 1,500
Only arranging the contract	×	×	×
Only giving advice	×	×	×

Buro philip van den hurk distinguishes itself through in-depth substantive knowledge of insurance and fast, smooth handling. This unique combination offers certainty with quality.

How can this financial services provider help you in the future?

When changes in your personal situation occur, always go back to a financial services provider. These changes might mean the insurance may no longer fit your new situation. For example, due to changes in your family situation or income. You may be paying too much, or running more risk than is necessary.

You can always visit a financial services provider for an exploratory meeting. If there is a significant change in your insurance, your financial services provider will contact you free of charge.

Does this financial services provider also offer maintenance services? ¹

For maintenance services, you pay a subscription fee.

For more information on other services in the future, please check the website of your financial services provider: www.burophilipvandenhurk.nl.

¹ Maintenance services mean a financial services provider can help keep an eye on whether any possible changes require an adjustment to your insurance.
