Does this financial services provider give independent advice?

Independent advice on products must meet two conditions.

Wealth accumulation product

Condition 1: Compares a sufficient number of wealth accumulation products

This financial services provider meets this condition. They compare a sufficient number of wealth accumulation products.

Condition 2: Offers not only wealth accumulation products from affiliated providers

This financial services provider meets this condition.

Why should you choose this financial services provider?

buero philip van den hurk offers in-depth financial expertise. With years of experience, they provide customised wealth accumulation services. Choose certainty, insight and growth: for all your financial queries, buero philip van den hurk has the answer.

Comparison chart Wealth accumulation

What do you need to pay for this financial services provider?

Here, you can find average prices only. The average price is the price customers in a comparable situation have paid. The more complex your financial situation, the higher the costs generally are. Your financial services provider will inform you of the exact price. Always have agreements recorded in writing, so you know what the financial services provider does for you and how much you have to pay for this.

	Consumer.	Entrepreneur	Other
Giving advice and arranging the contract	€ 750	€ 750	€ 750
Only arranging the contract	×	×	×
Only giving advice	×	×	×

When choosing their partners, buro philip van den hurk puts quality and the careful selection of asset managers first. This, together with their expertise, leads to the best returns.

How can this financial services provider help you in the future?

When changes in your personal situation occur, always go back to a financial services provider. These changes might mean the wealth accumulation product may no longer fit your new situation. For example, due to changes in your family situation or income. You may be paying too much, or running more risk than is necessary.

You can always visit a financial services provider for an exploratory meeting. If there is a significant change in your wealth accumulation product, your financial services provider will contact you free of charge.

Does this financial services provider also offer maintenance services? ¹

For maintenance services, you pay a subscription fee.

For more information on other services in the future, please check the website of your financial services provider: www.burophilipvandenhurk.nl.

¹ Maintenance services mean a financial services provider can help keep an eye on whether any possible changes require an adjustment to your wealth accumulation product.
